Dear Mr O'Hanlon

Thank you for your letter in relation to your introduction of the Friedreich Ataxia Network.

I appreciate your congratulations on my appointment as Minister for Health and Minister for Ambulance Services.

I am advised by Ms Sandy Jamieson, Nursing Director, Internal Medicine Services, Royal Brisbane and Women's Hospital, that the Friedreich Ataxia Clinic enjoys a close working relationship with your Network, and very much appreciates the support it provides.

I understand the partnership agreement between your Network and the Clinic contributes significantly in optimising their patients' journey. I look forward to seeing this strong relationship continue in the future.

Yours sincerely

STEVEN MILES MP
Minister for Health
Minister for Ambulance Services
